

Dear Resident,

Please disregard the calendar that you got for a Thursday pickup. That calendar was incorrect. **Your pickup day will remain on a Tuesday as scheduled previously.**

Here at Advanced Disposal Services, we strive to provide the best possible service to all our customers on a daily basis. In 2017, there will be no change in your trash or recycle services. Please make sure to have your trash and recycles curbside the night before your pickup. Please ensure that the bags or container's are no heavier than 40 pounds. Please tune into WFMZ channel 69 for any weather updates for closings or delays.
